

## **Period of Compliance**

The Notification shall be valid for a period of up to twelve months after which a status review shall take place and the following shall be verified:

1. That the System is maintaining an acceptable level of protection against attack in the field demonstrated by the monitored incidence of vehicle theft on fitted systems.
2. That the System is maintaining conformity of production - a production quality audit on a limited number of System samples shall be conducted.
3. That the System has not been modified in such a way that may adversely affect the performance of the System in respect of safety, functionality, reliability or security. This shall include modifications in the field. A limited number of samples shall be re-validated to verify the effect of modifications.
4. That the system is maintaining an acceptable level of warranty in the field demonstrated by the monitored incidence of future reports.
5. That the system name is not misrepresented or readily confused with an unrecognisable name.
6. That the Annual Listing Fee is paid.
7. That the Manufacturer/Supplier/Applicant continues to conduct business

## **Important**

Any changes to the System that may have an effect on performance must be notified in advance to Thatcham, and shall be subject of a desktop review which may, at the discretion of Thatcham, lead to a re-validation of System samples. This is the responsibility of the Applicant.

Failure to notify or control changes can lead to withdrawal of a System Listing.

Subject to satisfactory compliance with the above conditions the Notification shall be extended for a further period of twelve months and at each anniversary thereof.

The Applicant shall immediately notify Thatcham if the system ceases to be supplied.

## **Advertising and Publicity**

The Equipment Manufacturer/Importer or Vehicle Manufacturer/Importer shall be permitted to advertise in relation to listing of the system by Thatcham.

For information on "Regulations on logo and wording Use" Contact Sales and Marketing department at [sales@thatcham.org](mailto:sales@thatcham.org)

The System provider shall undertake to furnish Thatcham beforehand with proofs of the advertisements, leaflets, packaging materials and labelling on which this text is to be published if there is uncertainty with regard to the correct application of these rules. Thatcham reserves the right to forbid such publication if in their judgement it could give rise to misleading product information.

The manufacturer may also wish to take the opportunity of direct product promotion on the Vehicle Security National Helpline.

## **Certificate of Compliance**

A Certificate of Compliance will be provided in due course. The Certificate states that the listed system meets The British Insurance Industry's Criteria for Vehicle Security". It specifies Issue level and Thatcham evaluation number.

The Certificates are for display purposes only. The status of the system with regard to Thatcham compliance is correctly defined by the listing issued periodically by Thatcham and by the Terms and Conditions laid out in this Notification of Compliance letter. Duplicate copies of Certificates of Compliance for display are available from Thatcham for a nominal fee.

## **Testing Fees**

It is a condition of listing that all new test and re-test fees are settled before the system is added to the List. Please contact our Accounts Department to ensure payment

### **Annual Audit/Listing Fee – Aftermarket only**

An Annual Audit Listing Fee is required to be paid for each listed system. The exact charge may depend on the system Category and the fitting option.

The Annual Listing and Audit Fee support the following activities:

- Product Auditing [main purpose]
- Warranty and Theft Analysis
- Promotion of the List and Listed Products
- Development of the Scheme and New System Categories
- List Maintenance and Updating

### **Notification of Compliance**

I can confirm that the **MLS W020 and W052 Security Systems** comply with The British Insurance Industry's Criteria for Vehicle Security Issue 1 for a Category P2, P3 & H3 and that the Notification of Compliance of the System shall be recommended to the ABI, LMUA and their Member Companies.

In order for the Notification to be progressed you are requested to provide the information required for the listing of your product and to return a signed copy of this sheet to THATCHAM.

Yours Sincerely
